

Elevating Educational Excellence: Partner with IIQA

Inspire • Inculcate • Innovate • Incubate

WELCOME TO THE INTERNATIONAL INSTITUTE OF QUALITY ACCREDITATION (IIQA)

The International Institute of Quality Accreditation (IIQA) is your leading partner for accreditation and quality assurance services, operating across India and internationally. Established in 1998, IIQA pioneers cutting-edge Ed-Tech Consultancy Services to guide higher educational institutions through accreditation, initial setup, and renewal processes. Our extensive portfolio covers engineering colleges, medical colleges, universities, and all AICTE/UGC approved institutes, ensuring they meet and exceed national and international standards.

Our core offering is Expert Technical Advisory Services and Solutions (ETASS), a bespoke suite designed to transform operational efficiency and elevate quality assurance in technical and professional institutions. ETASS uses creative methodologies to streamline routine tasks, fostering continuous improvement and excellence. Our mission is to empower educational bodies to inspire future generations, inculcate knowledge and values, drive innovation, and incubate new ideas and talent, ultimately contributing to a robust and globally competitive educational landscape.

Partnering with IIQA provides access to decades of expertise, a proven track record, and a dedicated team committed to your institution's growth and recognition. We deliver tailored solutions that address unique challenges and aspirations, ensuring a smooth journey towards accreditation and sustained quality.

Meet Our Visionary Leader: Dr. T. R. Reddy (Ravi Nanosoft), C.E.O.

Dr. T. R. Reddy, also known as Ravi Nanosoft, is the Chief Executive Officer of the International Institute of Quality Accreditation (IIQA). A renowned edu-tech expert, he brings extensive experience in higher education, providing innovative and quality-driven services across India and abroad since 1998.

Key Highlights of Dr. T. R. Reddy's Profile:

- **President of India Medal Winner:** Awarded in 1997-98 by then-President of India, Sri K.R. Narayanan, for outstanding performance in technical skills, communication skills, and English proficiency among government polytechnic and higher education faculty in united Andhra Pradesh.
- **Academic Acumen:** Holds LLB (OU), LLM (Constitutional Law) (OU), and a Ph.D. (KU) in Nano-tech based Advanced Formulations and Drug Technology, all secured with First-Class Distinction. He is an Alumnus of IIM-Ahmedabad, having completed an Executive Management & Business Administration Program there. He also completed certificate programs in Management and Material Sciences from IIM-B and Kakatiya University.
- **Accreditation & Regulatory Expert:** An expert education advisor for Private Higher Educational Institutions on Regulations, Acts and Norms of AICTE, NBA, ABET, UGC, NMC, and Other Apex Education Regulatory Authorities. He has also provided academic-legal support to senior advocates of the High Court and Supreme Court of India in compliance with state and national statutory regulatory authorities.
- **Pioneer in Outcome-Based Education (OBE):** His core focus is training educators in OBE principles, aligning with the Washington Accord, and facilitating its implementation at the foundational level. He is also an Expert Resource Person and Professor of Practice for NEP-2020 at a National Level for HEIs.
- **Extensive Experience:** With over two decades of professional and academic expertise, he has advised over 400 professional institutions across India. He has advised on NBA accreditation for over 200 programs and NAAC accreditation for more than 100 HEIs.
- **Advisory Roles:** Served as a Permanent Lecturer for 11 years in the Department of Commissioner Technical Education, Government of Andhra Pradesh (Combined State). He is an Honorary Director and Advisor to multiple prestigious engineering institutions across India. He is also an Honorary Advisory Vice President (Quality Assurance) at PRIST University, Tamil Nadu, and an Adviser to Top Universities on Quality Assurance & Accreditation.
- **Global Exposure:** Visiting Professor at the University of the Pacific, California, and has attended AI & Business Analytics Workshops at prestigious institutions like Stanford, MIT, Georgia Tech, Harvard, UC Berkeley, and London School of Economics.
