Workshop Overview

NIRF Overall: from institutional data to practical strategy

A one-day online workshop for institutional teams working on the NIRF Overall category. Connect methodology, reliable data, peer benchmarking and performance priorities with a practical improvement plan.

Understand the framework

Explore the five Overall parameters, reporting definitions and the relationship between institutional evidence and performance.

Prepare reliable institutional data

Identify data owners, reconcile totals, check reporting periods and organise supporting records across departments.

Analyse, benchmark and improve

Interpret parameter gaps, compare appropriate peers and prioritise actions with clear responsibilities and review points.

What you will take away

A clearer understanding of the Overall framework, a stronger approach to data validation, and practical priorities for institutional performance improvement.

Examples and discussion support learning; no ranking position is guaranteed.

Who Can Attend

Universities, institutes of national importance and other institutions preparing for NIRF Overall. Eligibility follows the official rules for the applicable ranking cycle.

Institutional leadership

Vice-Chancellors, Directors, Principals, Registrars and Deans.

Quality, ranking & functional teams

IQAC / NIRF coordinators, ranking officers, HoDs, faculty, research, placement, finance, examinations and administration teams.

Detailed Workshop Coverage

Teaching, Learning & Resources | 30%

Review student strength, faculty profiles and qualifications, resource utilisation and source records. Reconcile departmental totals, examine calculation examples and identify gaps in data ownership and evidence.

Research & Professional Practice | 30%

Review publications, research quality, patents and project data. Discuss author affiliations, institutional attribution, reporting periods and duplicate checks; compare research strengths and practical improvement priorities.

Graduation Outcomes | 20%

Review examination outcomes and doctoral completions. Align eligible cohorts and reporting periods with examination and research-office records; use worked examples to interpret outcomes and identify performance gaps.

Outreach & Inclusivity | 10%

Review diversity, student support and accessibility evidence. Check student-category totals and supporting records; discuss consistent reporting, gap identification and practical approaches to inclusive institutional development.

Perception | 10%

Understand peer perception and credible institutional visibility. Discuss academic engagement, research communication and stakeholder outreach; relate peer benchmarking to an action plan with responsibilities and review points.

Workshop Timeline

10:00 AM to 5:00 PM IST | Same timeline for every batch

TIME (IST)	SESSION & FOCUS
10:00–10:20 AM	**Overall framework & preparation** Scope, category distinction and responsibilities.
10:20–11:10 AM	**Teaching, learning & resources** Source records and calculation examples.
11:10 AM–12:00 PM	**Research & professional practice** Research outputs, attribution and projects.
12:00–12:40 PM	**Graduation outcomes** Examination and doctoral completion data.
12:40–1:00 PM	**Outreach & inclusivity** Diversity, support and accessibility records.
1:00–2:00 PM	**Lunch break**
2:00–2:25 PM	**Inclusivity & perception** Complete OI; explain peer perception.
2:25–3:15 PM	**Data validation exercise** Totals, duplicates, missing fields and ownership.
3:15–4:10 PM	**Score analysis & benchmarking** Illustrative scores and peer parameter gaps.
4:10–5:00 PM	**Action planning & questions** Priorities, responsibilities and review points.

Online • Lunch: 1:00–2:00 PM

RESOURCE PERSON

Learn from practical experience

Dr. T. Ravinder Reddy

Chief Executive Officer

International Institute of Quality Accreditation & Rankings (IIQA)

Bachelor of Laws (LL.B.), Osmania University
Master of Laws (LL.M.), Constitutional Law, Osmania University
Doctor of Philosophy (Ph.D.), Kakatiya University

Alumnus - Indian Institute of Management, Ahmedabad

President of India Medal Awardee

Accreditation, Rankings & Institutional Establishment

Dr. T. Ravinder Reddy supports universities, engineering, medical and other higher educational institutions in accreditation, rankings and institutional establishment. His sessions connect institutional data, parameter analysis, peer comparison and ranking strategy with practical improvement priorities.

Areas of expertise

NIRF • QS World University Rankings • Times Higher Education (THE) World University Rankings • Accreditation • Institutional Benchmarking • Ranking Strategy • Data & Performance Analysis • Institutional Excellence

SCAN TO REGISTER

How to Register

Option 1: Click the **Register** button above.

Option 2: Scan the **QR code**.

Option 3: Visit **www.iiqaccreditation.com/workshops**.

Then follow these steps:

1. Select your preferred workshop.
2. Click **Register Now**.
3. Select your preferred batch.
4. Enter your institution and participant details.
5. Review your details and complete the payment.

Registration Confirmation: You will receive confirmation details through **email and WhatsApp** after successful registration and payment.
